

RU is proud to announce its sixth open call for New York City based artists for a **fully funded 6 month residency at the Atelier Mondial in Basel, Switzerland** starting January 1, 2019. This is an exchange program wherein RU hosts a Swiss based artist in New York City during the same period. The residency program is generously supported by the Zaeslin-Bustany Scholarship.

New York City/Department of Cultural Affairs has named **four new public artists in residence**, among which RU alum and Board Member **Onyedika Chuke** to devise creative responses to social issues affecting the city. For this project, Onyedika will work closely with inmates on Rikers Island.
