

Online Kundalini Yoga Session

March 28, 2021
10:00 - 11:15AM

This second KY session led by Colleen Martin will reflect on the Spring Equinox. We will align ourselves with the start of the new season, renewing ourselves after the long winter months of rest and restoration. By clearing and cultivating the Divine Woman within each of us, we nurture our invincible nature. We will clear our mind of "noise," release imagined disabilities, and open our hearts to receiving love.
